NOTICE

All accounts unpaid July 15th—unless some arrangement has been made—will be turned over to the Honor System for collection.

For thirty years we have been shipping dahlias prepaid, in simple faith that people would remit promptly. In a large majority of cases this faith has been amply justified.

We are willing to extend reasonable credit—but unwilling to grow, pack and deliver dahlias and then wait for our reward until arriving in another world.

SPECIAL PREMIUMS FOR AMATEUR DAHLIAS AT WISCONSIN STATE FAIR

In addition to the regular premiums offered by the State, we offer the following specials:

	1st	2nd	3rd
Best display of Dahlias, roots valued at \$10	\$5.00	\$3.00	\$2.00
Best Vase of Miniature Singles, roots of Coltness Gem Hy- brids, value \$3.00	2.00	1.00	
Best vase of Pompons, roots of Pompons, value \$3.00	2.00	1.00	

Plan to attend the Wisconsin State Fair this year and make an entry of your flowers. No matter how beautiful they are, they will not help the fair nor win you a premium if left at home.

LEST YOU FORGET WE SAY IT YET—

Our dahlias are grown in territory free from the corn borer.

Delivered anywhere in United States on receipt of price.

We guarantee roots to be true to name and to reach you in a condition to grow. Planting and cultural instructions with each order.

We cannot guarantee the weather or your care.

If you are not willing to give the plants reasonable care, your order is not solicited.

In addition to "elbow grease" liberally applied with a hoe or rake, we use and recommend Vigoro as a fertilizer.

The leaf hopper is probably the worst pest you will have to contend with. We have found Derrisol an efficient control and not objectionable to use.

Bordeaux Mixture is a good preventive spray to be applied to under side of foliage before the hoppers arrive.

All early orders—accompanied by cash—will receive a special premium.

"Short accounts make long friends"—so please remit promptly for orders placed in the Fall.

We have been growing Dahlias for a number of years—and take a pardonable degree of pride in our collection and the record of prizes won.

Our fields have been inspected and given a clean bill of health by the Wisconsin Department of Agriculture. Certificate of Inspection is on each package.

Good Investments:

Send \$1.00 to H. J. Rahmlow, Sec'y, Madison, Wis., for a year's membership in the Wisconsin State Horticultural Society. This includes the monthly magazine "Wisconsin Horticulture," which is well worth more than the price of membership.

As a "dahlia fan" you should be a member of the American Dahlia Society, which issues a very helpful quarterly bulletin to members. Send \$2.00 to Wm. J. Rathgeber, Sec'y, 198 Norton St., New Haven, Conn., and enlist for a year.

A Membership Application to the newly organized Wisconsin Dahlia Society is enclosed for our Wisconsin friends. Use it.
